### GUIDELINES FOR THE USE OF PRIEST'S SERVICES AT THE TEMPLE OR AWAY FROM TEMPLE

Requests for performing private poojas at the temple have been steadily increasing. In order to accommodate all of the devotees, we request that all of you help us by observing the following:

1. All archanas, vahana poojas and other short services requiring less than 30 minutes can be done on a walk-in basis. All other poojas and any services to be performed at devotee's residence have to be scheduled with the priest.
2. Please bring flowers, fruits and other pooja articles per priest's instructions.
3. Please adhere to the time allocated to you by the priest to avoid overlapping of other poojas scheduled to follow your event.
4. Please leave the area clean to save the priest's time and effort for other important duties of the temple.
5. If the puja is scheduled to be held at devotee's residence please keep everything ready by the scheduled time so that the priest can finish the puja on time and go on to the next scheduled activity.
6. Only prasadam prepared by the devotees are to be distributed at the temple.
